UVYA Angels baseball is a league designed for players of all abilities. Our League plays both T-ball and coach pitch with teams of All-Stars at all levels and abilities, encouraged participation in wheelchairs, walkers, and assisted independence.

With the opportunity to play, there is a feeling of excitement and acceptance.

Coaches, family, volunteers, and friends feel the magic and love through these special players who participate in "America's Favorite Pastime!!!"

We invite all siblings, parents, and friends to be our Angel Buddies and to cheer us on!!!! We use buddies in the field to help players.
